Johanna Beekman is a multi-genre recording artist, songstress, and kirtan artist who is loved for her rich, soulful voice, her radiant spirit, and her inspiring songs and chants that tap deep into the collective soul. She sings and teaches at leading festivals and studios across the country. Johanna's beloved fourth album, **Heart Beats One**, was nominated as one of the best conscious music albums of 2015. Her new album, which grew out of her unique Lullaby Yoga classes, moves even deeper into the heart space beyond love.
