

KALI TEMPLE

A Women's Circle Embodying Kali Ma.

With Gina Slager

Kali temple- the way we see Kali at any given time has everything to do with where we are on our journey. Whether Kali seems terrifying, fascinating, or loving depends on our state of consciousness and our level of emotional and spiritual development. But she always invites us to a radical form of ego transcendence. She transcended duality. Kali challenges us by daring us to look her in the face and find the love behind the pain of life.

Please join Gina Slager for this sacred event and enjoy deep love, transformation, sacred dance, chanting, sharing, feminine embodiment, practices love and sisterhood.
